

**PENTUCKET REGIONAL SCHOOL LUNCH PROGRAM
SWEETSIR SCHOOL
Prepay Milk Plan 2009-2010**

Each student was given a random 4 digit pin number (which remains the same until graduation) and is to be used at the computerized lunch-line registers. Due to some district wide changes in the lunch program this year, charging a la carte items (including milk) is not permitted. To help prevent "lost or forgotten money" we strongly encourage using the "Debit Account" to pay for your child's milk. Checks can be made out for weekly or monthly amounts and the monies will automatically be deducted from the account every time the child's pin number is entered at the register. If the student is absent, the monies remain in the account until used. Any unused balances at the end of the year will automatically be transferred as beginning balances for the next school year.

***NOTE:** June's 13 day prices DO NOT include any days in which school is closed for snow. If there are any snow days during the year, those days will be added in June (i.e. 2 snow days: June now will have 15 days (13+2) cost \$7.50.

If you have questions, please contact the Food Service Director at 978-363-5557.

MONTH	# OF DAYS	MILK ONLY
		\$0.50
September	20	\$8.00
October	21	\$10.50
November	17	\$8.50
